

PREMIUM INDIAN SPICES

TRADITION IN EVERY GRAIN. EXPORTED WITH CARE

CATALOG

DEVAMS INTERNATIONAL

Devams International is a trusted exporter of premium-quality Indian spices, based in Gujarat — the heartland of India's spice trade. We specialize in delivering lab-tested, 100% pure spices including cumin, fennel, fenugreek, and coriander seeds, tailored to meet international standards.

Backed by robust sourcing, hygienic processing, and a customer-first approach, we ensure that our clients receive only the finest products. Our flexible packaging solutions and timely delivery make us a reliable global partner in the spice industry.

Let's grow together — one spice at a time.

WHOLE SPICES COLLECTION

PURE. POWERFUL. UNTOUCHED.

Step into the heart of Indian flavor with our exclusive selection of whole spices. At Devams International, we believe that great taste begins with ingredients in their purest form. Our whole spices are naturally sun-dried, hand-selected, and hygienically packed — ensuring maximum freshness, aroma, and essential oils are preserved.

From bold cumin seeds to fragrant fennel and rich fenugreek, every grain tells a story of tradition, quality, and authenticity. Ideal for food manufacturers, wholesalers, and culinary experts looking for natural spice solutions with consistent quality.

GROUND SPICES COLLECTION

NATURALLY WHOLE, AUTHENTICALLY BOLD

At Devams International, our whole spices are sourced from trusted farmers across India and processed with the highest care to retain their original form, flavor, and strength. These spices are ideal for grinding, roasting, seasoning, or infusing into premium blends.

Each spice is sorted, cleaned, and packed without compromising its natural oils and aroma — delivering long-lasting freshness and strong culinary impact.
