About Devams International

Founded in 2009 in Kochi, Devams International grew from a small pepper trading desk into a full-service spice and agri-commodity exporter. Every shipment is tested, documented, and traceable — from farm cluster to port of loading, with lab reports issued before dispatch.

Our Journey

- | | |
|-------------|---|
| 2009 | Founded in Kochi
Began as a small pepper and cardamom trading house serving Middle Eastern importers. |
| 2013 | In-house Processing Facility
Opened our first cleaning, grading, and packaging facility, achieving FSSAI and ISO 22000 certification. |
| 2017 | APEDA & Global Expansion
Registered with APEDA and expanded exports to Europe and North America, crossing 25 countries served. |
| 2021 | Organic Certification
Launched a dedicated organic and single-origin line, certified under NPOP and USDA organic equivalence. |
| 2026 | 42+ Countries, 3,200+ Shipments
Today, we ship whole spices, blends, and agri-commodities to partners on six continents. |
