

## Product Catalogue

# Our Export Range

From single-origin whole spices to fully custom private-label programs, our catalog covers the categories global food buyers request most.

---

### AGRICULTURAL PRODUCTS

#### Whole Spices

Hand-sorted cumin, cardamom, black pepper, cloves, and cinnamon sourced from India's finest growing regions. Steam-sterilized on request (ETO-free); custom grading (FAQ, Extra Bold, Special); jute, PP, or vacuum-sealed packaging.

---

### PROCESSED FOODS

#### Ground & Blended Spices

Precision-milled powders and custom masala blends formulated to your specification and packaging. Cryogenic & ambient grinding lines, custom blend formulation and R&D; support, retail-ready pouch and jar packaging.

---

### AGRICULTURAL PRODUCTS

#### Seeds & Agri Commodities

Sesame, mustard, fennel, fenugreek, and coriander seeds graded for oil content and purity. Purity tested to 99%+ on request; phytosanitary certification included; container (FCL) and LCL volumes.

---

### SPECIALTY INGREDIENTS

#### Herbs & Botanicals

Dried curry leaves, mint, fenugreek leaves, and botanical extracts for food and nutraceutical use. Low microbial load processing; nutraceutical-grade options; custom moisture and particle-size specs.

---

### CERTIFIED ORGANIC

#### Organic & Single-Origin

NPOP/USDA-certified organic spices with full farm-to-port traceability for premium retail brands. NPOP, USDA & EU organic equivalence; farm-cluster level traceability; small-lot and micro-lot availability.

---

### CUSTOM SOLUTIONS

#### Private Label & Packaging

End-to-end private label development — formulation, packaging design, and retail-ready fulfillment. In-house packaging design support; barcode, labeling & compliance handling; low minimum order quantities for pilots.
